Docket No. MC2001-3

**MOTION OF THE UNITED STATES POSTAL SERVICE
FOR WAIVER OF RULES**
(September 28, 2001)

Due to the synchronicity of the Request in this Docket with the filing of the Request in Docket No. R2001-1, the Postal Service hereby moves for a waiver of all parts of rules 64 and 54 that are arguably applicable to this Request and are not otherwise responded to in the Request and Testimony. It should be noted that all possibly relevant information required by the rules can be found in the rate case filing. In the interests of administrative ease and environmental conservation, and in light of the extreme simplicity of this request and its minimal overall effect, the information already provided with the rate case is not repeated or categorized in this motion or Request.

Respectfully submitted,

UNITED STATES POSTAL SERVICE

By its attorneys:
